

LUXÉLAN

Organizing India's Fragmented
Luxury Interiors Segment with
End-to-End Solutions

Every family deserves **A Beautiful Home.**
The process shouldn't feel like
a punishment.

Today, Luxury Home Interiors Mean:

- Unpredictable costs
 - Unreliable contractors
 - Zero peace of mind.
 - Endless market runs
 - Zero warranties
-

We built **Luxélan** to solve
every one of these problems.

ABOUT LUXÉLAN

India's First
Digitally Integrated
End-to-End
Luxury Home Interior
Platform

Luxury Home Interior Supply Chain

Every facet of interior design, made available to discerning homeowners in one place.

Digitally Streamlined Approach

A meticulously curated, tech-driven process that simplifies complex design decisions.

End-To-End Journey

From ideation and design to final installation – fully managed under one roof.

Post-Sale Maintenance

Support doesn't stop at delivery – ongoing maintenance ensures lasting satisfaction.

Seamless & Sophisticated Experience

Every touchpoint is designed to feel effortless and premium for our esteemed clients.

HERE'S WHY FAMILIES TRUST US.

-  Pricing fixed basis initial scope; subject to design changes, if any. *
-  Handpicked branded products with smart pricing
-  A team of top-class contractors
-  A dedicated relationship manager to handle every detail
-  Just bespoke, beautiful spaces — delivered on time, every time.
